

IN MEMORIAM

As of: 15 February 2018

Note: The names below come from various sources to include association lists, obituaries, individual notifications and the National Archives. Those Marines, corpsmen and chaplains having been assigned or attached to the 2nd Battalion, 4th Marines killed in action or dying later from wounds received in combat are listed in alphabetical order [last name] under their respective war and conflict. Wars are presented from the most recent to the oldest. Those having died of other causes; i.e., end of life span, illness, etc. are presented at the bottom of this document as are members having served in other, non-related Marine units or armed forces, or were non-military members. If an entry is incorrect or incomplete, please notify the Web Sergeant.
