We have a lot of time on the calendar, but Colin needs to start getting any and all Vietnam era photos sent to him so he can start the photo layout for the anniversary book. This is a VERY time consuming process. If members email pictures to Colin they must be scanned at no less than 600 dpi. They can mail them, however, to Colin at his home [see address above], and he will scan and return. Colin needs all relevant caption data to include names, dates, locations, unit confirmations, and ID's all of others who may be in a group photo, and he will return them to the owners. BGen Weise may have the maps which Colin would like to include so the General can choose. Colin wants this book to be top notch. This event also includes our Army friends. Please help get this word out.

NOTES ON TRANSPORTATION:

There will be no transportation provided during any of these events, however the Museum is one mile from the hotel and the Globe and Laurel three miles from the hotel.

DAI DO VETERANS:

The following is the known list of Dai Do Vets. If there is anyone that you know of that is not included please contact Becky Valdez at fxala@hotmail.com.

Please write down any memories of reflections of your experience of the battle and send those as well to Becky Valdez.

If you would prefer to talk on the telephone and have your comments recorded, that is an option as well.

Please note: ALL families of Battle of Dai Do veterans are encouraged to attend. (Anyone with contact information, such as email, USPS mail or phone number is encouraged to provide us with same.)
